

CLEARsplint®

*Interim restorations
free of MMA*

for a perfect smile

astron®

Advantages of CLEARsplint®:

- ⇒ absolutely precise adaption
- ⇒ self-adjusting
- ⇒ hypoallergenic - free of MMA
- ⇒ tension-free wearing comfort
no feeling of pressure in the mouth
- ⇒ always transparent - will not yellow with age
- ⇒ reliable and repairable

Important care instructions:

To avoid risk of breakage of your nightguard or partial denture it is absolutely necessary to put it - prior to each wearing - in approx. 50 °C warm water for at least 20 seconds!

Please do not use alcohol-based or commercial denture cleaners!

We recommend **astron** DuraClean²™
